

CSE 291 - Anti Social Computing Project

22 responses

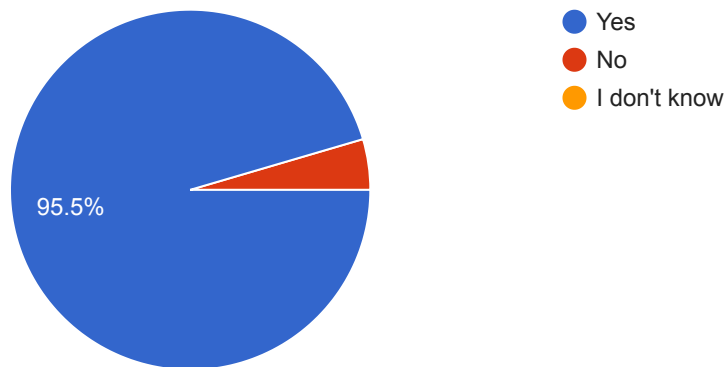

Have you come across someone being trolled on the Internet ?

22 responses

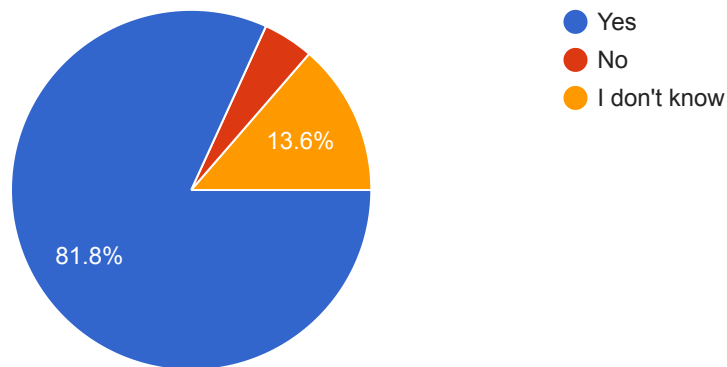

Do you think Internet trolls have turned more offensive (racially / sexually) over the past couple of years ?

22 responses

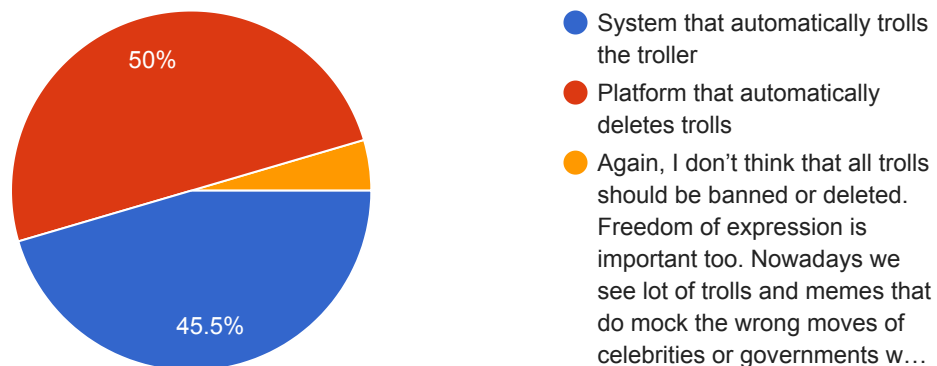

Do you think a support system is needed to tackle trolling ?

22 responses

Would you prefer an automated system that trolls the troller or a platform that automatically deletes trolls ?
